Cambridge Carnival International is back! Cambridge Carnival is a Caribbean style festival rooted in African traditions. This year’s theme is Emancipation. Our Black History event celebrates and memorializes every year since Emancipation Day August 1, 1834, the day when formerly enslaved African ancestors on the sugarcane plantations in the Caribbean, regained their personal freedom. The festival offers cultural performances, arts & crafts vendors, ethnic foods, steel pan performances, live music, DJ’s, and an inspired production of cultural dance and music via a parade of revelers. The parade kicks off at 12:30pm on Blackstone Street and River Street and ends at University Park Commons.
